Dear Colleagues and Friends,

it is our great pleasure and honor to invite you to the **7<sup>th</sup> Slovak-Czech Congress of Forensic Medicine with international participation**, to be held in Košice, Slovakia, in Congress Hotel Centrum from May 13 – 15 2020. This year's congress is organized by the Department of Forensic Medicine of Faculty of Medicine at Pavol Jozef Šafárik University, the second oldest institution for forensic medicine in Slovakia, closely cooperating with Medico-Legal and Pathological-Anatomical Department of Health Care Surveillance Authority in Košice, which covers the performance of autopsies in Košice region and toxicological analyses of both living and dead persons.

Forensic medicine is a constantly evolving interdisciplinary field and we believe that issues of aging and marginalized populations, as well as new psychoactive drugs, as the leading topics of the Congress will provide interesting lectures and debates even outside the scientific program.

The participants are encouraged take a guided walking tour in Košice, city which offers a rich history and many cultural and sport opportunities, making it one of the most sought-after travel destination in Slovakia.

We look forward to seeing you in Košice.
